DAY 1

ROME > NAPLES > POMPEII > SORRENTO

See Southern Italy highlights on your minitour from Rome. Your journey begins heading south along the so-called Sun Highway, crossing the fertile Roman countryside and the area known as Castelli Romani, dotted with enchanting medieval villages and arriving in Naples, one of the largest and well-known cities in Italy. Short panoramic tour climbing up to Vomero hill to enjoy beautiful views over the Gulf of Naples with the Vesuvius, Capri, Ischia and Procida and the city below; time to take some nice pictures. Descending towards the port of Mergellina you will leave the city and travel south toward Mount Vesuvius, to reach the town of Ercolano where we will stop for lunch. The lunch break will be served in a first class hotel in Ercolano, set in monumental grounds with one of the best examples of what eclectic gardens were during the 1700s. After lunch you will reach Pompeii to enter into the world-famous site with Skip the Line tickets. Visit the haunting ruins of Pompeii, traveling back in time to the tragic days in 79 AD when the silent Mount Vesuvius suddenly erupted, covering the prosperous Roman city in deadly volcanic ashes and poisonous gases, leaving this prosperous city crystallized until our days. You'll learn how people lived at that time, visiting houses and "bars" of the time, admiring frescoes and mosaics to imagine how rich and prosperous was the city before the dreadful day. After the visit, you will drive along the Sorrentine Coast, arriving in Sorrento for dinner (dress code: jacket for men) and an overnight in your new hotel

DAY 2

SORRENTO > CAPRI > ROME

After breakfast you'll be embarked to Capri island. Depending on weather conditions, you'll take a boat ride to the popular and dreamy "Grotta Azzurra" (Blue Grotto), where sunlight passes into an underwater cavity and shines through the seawater, creating a magical blue reflection. After returning to the port you'll board on a minibus for a scenic drive to Anacapri, 918 feet (280 meters) above the sea level. You'll see wonderful views of the bay of Naples before continuing to a local restaurant for lunch. After lunch you can take advantage of some free time to explore Capri at your leisure or to go shopping. Then you'll return to Marina Grande back to the mainland to return to Rome.

DAY 1

ROME > NAPLES > POMPEII > MINORI

See southern Italy highlights on your first day minitour from Rome. Departure by coach heading south crossing the regions of Lazio and Campania. The first stop is Naples, one of the most enchanting cities in the Mediterranean famous worldwide for its rich history, art, culture and gastronomy, where you will take a short panoramic tour to discover its beauty from the comfort of your coach climbing up the Vomero hill. The town overlooks the bay of Naples which extends from the Sorrento peninsula to volcanic area of Phlegrean fields, and the skyline is dominated by the majestic and still active volcano Vesuvius, offering an impressive sight perfect to take stunning pictures. Descending towards the port of Mergellina, you will leave the city and travel south toward Mount Vesuvius, to reach the town of Ercolano where we will stop for lunch. The restaurant is in a first class hotel in Herculaneum, situated in a marvellous environment and surrounded by wonderful gardens dating back to 1700. Then head to Pompeii and skip the line to one of the most important archaeological sites in Europe and a UNESCO World Heritage Site. Through the remains and ruins of this ancient city you will learn how the eruption of Mount Vesuvius in 79 AD destroyed the city, killing its inhabitants and burying it under tons of ash. The site was lost for about 1,500 years until its initial rediscovery and the objects beneath the city have been well-preserved for centuries. So you can walk along the ancient streets for a glimpse into the lives of the Romans, discovering ancient houses, bakeries and shops and imagine the everyday life in the Roman times. Leaving Pompeii, you will drive along the Sorrentine Coast, arriving to Minori. Check-in at your hotel, dinner and overnight.

DAY 2

MINORI

Enjoy a leisurely day exploring the wonderful city of Minori, home to the splendid Villa Marittima Romana, an ancient roman villa considered to be one of the most important monuments on the whole Amalfi Coast. Minori is a popular tourist destination for pastry products, delights that attract many tourists every year in search of the coastal flavours. For this reason it is known as the City of Taste, and for its mild and pleasant climate is called Eden of the Amalfi Coast. Dinner and overnight.

DAY 3

After breakfast at your hotel, spend a leisurely morning doing some last minute sightseeing or some shopping in Minori. Around 2:00 in the afternoon, departure for Pompeii, continuing on to Rome, where the tour will come to an end (Estimated arrival in Rome is 9:00 pm).

The first stop is Naples, one of the most enchanting cities in the Mediterranean famous worldwide for its rich history, art, culture and gastronomy, where you will take a short panoramic tour to discover its beauty from the comfort of your coach climbing up the Vomero hill. The town overlooks the bay of Naples which extends from the Sorrento peninsula to volcanic area of Phlegrean fields, and the skyline is dominated by the majestic and still active volcano Vesuvius, offering an impressive sight perfect to take stunning pictures. Descending towards the port of Mergellina you will leave the city and travel south toward Mount Vesuvius, to reach the town of Ercolano where we will stop for lunch. The restaurant is in a first class hotel in Herculaneum, situated in a marvellous environment and surrounded by wonderful gardens dating back to 1700. Then head to Pompeii and Skip the Line to one of the most important archaeological sites in Europe and a UNESCO World Heritage Site. Through the remains and ruins of this ancient city you will learn how the eruption of Mount Vesuvius in 79 AD destroyed the city, killing its inhabitants and burying it under tons of ash. The site was lost for about 1,500 years until its initial rediscovery and the objects beneath the city have been well-preserved for centuries. So you can walk along the ancient streets for a glimpse into the lives of the Romans, discovering ancient houses, bakeries and shops and imagine the everyday life in the Roman times. Leaving Pompeii, you will drive along the Sorrentine Coast, arriving to Amalfi. Check-in at your hotel, dinner and overnight.

DAY 2**AMALFI**

Enjoy a leisurely day exploring the wonderful ancient Capital of the Maritime Republic of Amalfi, taking in the city's main sites, plunging into the waters of the gulf of Salerno, or sipping on some of the locally-produced limoncello. Return to your hotel for some well-deserved rest. Dinner and overnight.

DAY 3**AMALFI > ROME**

After breakfast at your hotel, spend a leisurely morning doing some last minute sightseeing or some shopping in Amalfi. Around 3:00 in the afternoon, departure for Pompeii, continuing on to Rome, where the tour will come to an end (Estimated arrival in Rome is 9:00 pm).

An Oasis of Nature and Scents

The Cinque Terre one of the most unspoilt areas of the Mediterranean and one of the most extended areas in Liguria. They are a kingdom of nature and wild scents maintained as in the past.

To visit Cinque Terre means to visit five villages suspended between sea and earth, clinging on to cliffs and surrounded by green hill; it means to know the history of whom, for centuries, has fought against difficult land but it also means to taste the result of this millenarian struggle and in particular wine and produce. Visit these villages means to learn the culture of the drystone walls and of the vineyard, of the fishermen and of their nets, of the steep valleys and of their path. Who visit Cinque Terre can choose between a dive in the sea or hike on the hills, between a walk in the narrow alleys called "carruggi" or a ride by boat, a pilgrimage to a sanctuary or a seafood lunch. It is a landscape unique in the world in which man and nature live together in harmony since the beginning of time.

DAY 1

ROME > SAN GIOVANNI ROTONDO

Board a train from Rome Termini to Foggia, where you will meet your private car and driver, who will take you to your hotel in San Giovanni Rotondo, home of the Shrine of Padre Pio (opportunity to stop at Monte Sant'Angelo with a supplement). Settle in to your hotel to rest up for the day ahead.

DAY 2

SAN GIOVANNI ROTONDO

After breakfast at your hotel, spend the day exploring this fascinating city on your own. From July 28, 1916 until his death on September 23, 1968, Padre Pio, famous for his stigmata, called San Giovanni Rotondo his home. The miracle of his stigmata was recognized by the Pope after the approval of the three commissions canonically required. The Medical Consultations of the Congregation for the Causes of Saints examined the case, and with a unanimous vote judged it "scientifically inexplicable." On June 16, 2002 John Paul II declared Padre Pio a Saint of the Catholic Church. Millions of people exulted with joy and participated in the ceremony at Saint Peter's Square. His body was exhumed in March of 2009 and displayed at Santa Maria delle Grazie shrine, where it stayed until September 2009. After this intense day, return to your hotel for some well-earned rest.

DAY 3

SAN GIOVANNI ROTONDO > ROME

Enjoy breakfast at your hotel before your private car takes you back to Foggia train station, where you will depart to Rome for the conclusion of your tour.

DAY 2

LORETO

Breakfast in hotel. Free day to visit the Marian cult capital. Loreto has shape of a great gigantic sanctuary, protected by great walls and bastions built in the XVI century. The history of the "Shrine of the Holy House" begins in the XIII century with the transportation from the Holy Land of the Nazareth house where Virgin Mary lived in. This precious relic was transported in Italy after the defeat of the Christian armies, against the islamic hordes, during the time of Cruzades. The heart of the city is the Virgin Mary Square. Adorned by a beautiful baroque fountain in front of the stunning Basilica, built between the late gothic period and the Renaissance, in order to protect the Holy House, where Mary received the Archangel Annoucement, from massive pilgrimage. The relic is inside the Basilica, under the amazing Cupola and protected with a marble screen, designed by Bramante. Inside the Holy House there's a niche containing a black statue of Virgin Mary. Don't miss the chance to visit also the Museum- Pinacoteca where you can admire masterpieces of Lorenzotto and an important collection of ceramic artworks. The museum is inside the Apostolique Palace, in westnorth side of Virgin Square. The tour can continue around Boccacini street shops, through beautiful Piazzale Loreto apses and finally enjoy a great panoramic city view from Giovanni XXIII square. Overnight in hotel.
