DAY 2 | Rome

After breakfast, depart for St. Peter's Square to participate in the Angelus, one of the Vatican's most symbolic ceremonies. This moment of prayer, led by the Pope from the window of the Apostolic Palace, gathers thousands of faithful from around the world who seek the Pope's blessing. After the Angelus, you will have the opportunity to cross the Holy Door of St. Peter's Basilica, an act of spiritual renewal. Crossing it during the Holy Year symbolizes the desire to draw closer to God and receive plenary indulgence, making this a unique experience for all pilgrims. The afternoon is free for you to explore, and you will return to the hotel on your own. Overnight stay.

DAY 3 | B, D Rome · Assisi · Siena · Florence

Departure at 7:15 AM on a Gran Turismo coach to Assisi. Upon arrival, free time to explore this small town surrounded by medieval-style walls, a global center of spirituality. A visit to the famous Basilica of St. Francis is recommended, where you can admire masterpieces by Giotto and Cimabue. You may also see the exposed body of Blessed Carlo Acutis in the church of Santa Maria Maggiore. Acutis, a young man who died at 15, is on the path to sainthood, recognized for miracles by the Church in several countries, and is already called the

"Internet Saint" for his evangelization through the web. Free time for lunch (not included) and continuation to Siena, a monumental city surrounded by imposing walls, known for its impressive Piazza del Campo, where the famous "Palio delle Contrade" is held. Then, continue to Florence. Upon arrival, check-in at the hotel, dinner, and overnight stay.

DAY 4 | B, L Florence

Breakfast at the hotel and guided city tour. Florence is a city where Italian genius manifests in all its splendor. The historic center, together with the Campanile, Baptistery, and Cathedral, forms an extraordinary ensemble of white, green, and pink marbles, representing the transition from medieval to Renaissance Florentine art. During the tour, you will admire the imposing Cathedral of Santa Maria del Fiore, symbolizing Florence's wealth and power in the 13th and 14th centuries, crowned by Brunelleschi's majestic dome. You will also see Giotto's Bell Tower and the Baptistery, famous for its Bronze Doors, including the "Gates of Paradise," as named by Michelangelo. The tour continues through Piazza della Signoria, with the Palazzo Vecchio and the Church of Santa Croce. Lunch at a typical restaurant in Piazza Santa Croce. The afternoon is free to explore Florence or join an optional visit to Pisa. Overnight stay.

During free time, enjoy Bologna's vibrant street food scene, known as Italy's gastronomic capital. You'll have the chance to savor a light street food lunch at a traditional spot. In the afternoon, arrival in Venice (Mestre) and check-in at the hotel. Overnight stay.

Breakfast at the hotel and transfer to St. Mark's Square for a guided tour of the city. The walking tour includes

St. Mark's Square, the Doge's Palace—symbol of Venice's glory and power, the residence of the Dukes, and the seat of government. The Palace is connected to the Prison by the famous Bridge of Sighs, known for being the place where Casanova was imprisoned. After the guided tour, enjoy a typical Venetian aperitif with the famous "cicchetti" (local tapas), accompanied by a spritz or prosecco. The rest of the afternoon is free to explore Venice at your leisure or join optional visits. Overnight stay at the hotel.

DAY 7 | B, L Venice Montepulciano (Tuscan Wine Region) · Rome

DAY 8 | B Rome

A day dedicated to pilgrimage and spirituality. After breakfast, visit three important sacred sites in Rome. The first stop will be the majestic Basilica of St. Paul Outside the Walls, one of the four papal basilicas, built over the tomb of the Apostle Paul. Here, you can admire the magnificent apse mosaic, the medieval cloister, and the papal medallions that tell the Church's story. Next, visit the Abbey of the Three Fountains, a monastic complex surrounded by nature, where, according to tradition, St. Paul was beheaded. You can stroll through the tranquil gardens and learn the story of the three miraculous fountains associated with his martyrdom. The final stop will be the Sanctuary of Our Lady of Revelation, a site of great Marian devotion where the Virgin Mary is said to have appeared to Bruno Cornacchiola in 1947, inviting him to conversion and prayer. ITINERARY

**DAY 1 | D
Rome · Assisi · Siena · Florence**

Departing at 7:15 am from the Hotel St. Martin by a deluxe coach, you will arrive in Assisi, ready to explore, at your own leisure, this tiny town surrounded by walls, built in the Middle Ages. Take your time to visit the basilica of St. Francis, where you will see masterpieces by Giotto and Cimabue and, then, have free time for lunch (not included). Board on the bus to reach Siena, a Unesco World Heritage Site, world-known for the Palio, the historical horse race around the shell-shaped town square: Piazza del Campo. Next, you will continue on to Florence, where you will check in at your hotel before enjoying dinner and a well-earned night of rest.

**DAY 2 | B, L
Florence**

After breakfast, you will spend the day venturing around beautiful Florence, the "Cradle of Renaissance", where, with the help of Michelangelo, Italian art reached its pinnacle. Based on Etruscan-Roman origins, the city flourished in the Middle Ages as a free "Comune" and was further refined during the Renaissance. You will be fascinated by the uncountable monuments, churches and buildings

as Santa Maria del Fiore, more commonly referred to as the Duomo. On your visit, you will be amazed by its magnificent dome built by Filippo Brunelleschi. Cross a small piazza to see the "Campanile" tower (partly designed by Giotto) and the Baptistery, with its bronze doors where Michelangelo imagined the "Gates of Paradise." In the heart of the city, you will see Piazza della Signoria, Palazzo della Signoria (also known as Palazzo Vecchio), and the Basilica of Santa Croce. Lunch in a typical Tuscan restaurant in Piazza Santa Croce. Spend the afternoon strolling the cobblestone streets of Florence on your own or take a short trip to Pisa (optional), one of the four main historical Marine Republics of Italy. There, you will tour the Piazza dei Miracoli with the Duomo, Pisa's symbol "the Leaning Tower" and the Baptistery. Dinner at leisure, overnight stay in Florence.

**DAY 3 | B, LOCAL FOOD EXPERIENCE
Florence · Bologna · Venice**

After a delightful breakfast in Florence, we depart for the elegant city of Bologna. Upon arrival, the charming city center, adorned with its iconic porticos, awaits your free-time exploration. Begin your walking tour at Piazza Maggiore, leading to the heart of the city at Piazza del Nettuno

and Piazza Maggiore. Here, you can marvel at the historic Palazzo Podesta as well as the Basilica of San Petronio, the largest Gothic church in the world built with bricks. We will then show you why Bologna is often hailed as Italy's gastronomic capital as you delve into its vibrant street food scene, which is as rich and diverse as its culinary heritage. Meandering through the city's medieval streets, you will encounter a delightful array of food stalls and markets, each offering a mouthwatering selection of both traditional and contemporary treats. As you explore the charming alleys and bustling piazzas, you will immerse yourself in a culinary adventure that goes beyond just a meal. With a street food light lunch experience at a local eatery offered by us, this is your chance to savor the authentic flavors and unique dishes that define Bologna's renowned gastronomic identity. Later in the afternoon, we continue our journey to Venice (Mestre). Upon arrival, check in at your hotel for a restful overnight stay.

**DAY 4 | B

Tour ends after breakfast! You may opt for an extension in Venice or in other locations as Milan, Como or the region of the Northern Lakes.

ITINERARY

DAY 1 | LOCAL FOOD EXPERIENCE
Milan

Welcome to Milan! Meet our driver at Milan Malpensa Airport and enjoy a private transfer to your hotel. In the afternoon, meet your professional local guide at the hotel and set off on a three-hour walking tour through the heart of Milan. Going down via Spallanzani, you will reach Porta Venezia (literally Venice Gate), one of the historical gates to the city. It has medieval and maybe even Roman origins, and it gives the name to the city district all around it. An urban legend has it that the other name it is known as - "Porta Renza" - stems from Renzo Tramaglino, co-protagonist of the novel The Betrothed by Alessandro Manzoni, who enters Milan exactly from this access. You will proceed toward Corso Venezia and take a shortcut inside Giardini Indro Montanelli, a public garden. Opposite the gardens, you will go past GAM, the Galleria d'Arte Moderna (modern art museum). Proceeding along Viale Manzoni, you will head for La Scala opera house (Teatro alla Scala), inaugurated on 3 August 1778. The theater underwent major renovations from early 2002 to late 2004. Then, get ready to take in the stunning Milan Cathedral (Duomo di Milano). Your tour guide will illustrate its main features. The last stop will be the majestic Castello Sforzesco, a medieval fortress built in the 15th century by the Duke of Milan, Francesco Sforza. In its vicinity, we have chosen a refined bakery for you to be able to relax and taste a typical aperitivo (happy hour). At the end of the aperitivo, the tour is over and you will have some free time before returning to the hotel on your own. Overnight stay is in Milan.

DAY 2 | B
Milan · Bernina Express · Milan

This is the day of your Bernina Express tour, on board "the train that snakes its way up to the mountain peaks". Just like sitting in a theater, you will admire unique views from your seat on board the Bernina Train, a piece of history (it is 100 years old) and a World Heritage train. After breakfast at the hotel, meet our driver and reach Tirano. You will get on board there and start this ride along one of the most beautiful railway routes in the world, with

its unsurpassed alpine views. As the train winds its way over the Alps, occasionally passing through mountain tunnels, and puffing its way past a myriad of towns and villages, a number of highlights will catch your attention. Look out at the Swiss Alps as you ride along the Bernina pass to St. Moritz, and then enjoy free time to explore it. Meet your driver to return to Milan (meeting point in St. Moritz). Overnight stay in Milan.

DAY 3 | B, D
Milan · Como · Bellagio · Bergamo

Enjoy breakfast at your hotel and then prepare for a short visit to Como, a tourist destination for its vicinity to Lake Como and the Alps. Amazing views over the lake and the alpine valleys are guaranteed! The lake itself, sometimes called Lario, has long been famous for its y-shape and for Bellagio, that you will reach by boat. This little gem town lies at the intersection of the lake's two southern arms, with the Alps dominating the horizon to the north, and is home to some of the most charming landscapes in Italy. Spend some time exploring this picturesque village and its small streets, luxury hotels, villas, and gardens, and have lunch at your leisure in one of the many restaurants or cafés. Back on board, you will make your way to Tremezzo/Villa Carlotta where you will meet the driver and begin your journey to Bergamo, a truly historic and artistic jewel characterized by its urban structure: the città bassa (or lower town) is modern and dynamic, while the famous città alta (or upper town) houses the city's medieval heart. Check in at your Bergamo hotel, dinner y overnight.

DAY 4 | B, D
Bergamo · Sirmione · Riva del Garda · Bergamo

Lake Garda, the largest lake in Italy, is the next destination. After breakfast at your hotel, you'll embark on a panoramic tour of the lake's west coast, immersing yourselves in the breathtaking natural landscape. This includes the Brenta Dolomites (a UNESCO World Heritage Site) and the gentle slopes of the Moraine Hills of Lower Garda. You'll be surrounded by lush vegetation, from lemon trees to oleanders, magnolias, and bougainvillea. Upon reaching Sirmione, where Lake Garda and its surroundings are at their finest, you'll see the sun reverberating on the lake's blue

waters, the tree-lined shores, Sirmione Castle, as well as the ruins of Catullus's villa or Grottoes of Catullus (the 1st-century BC poet owned a villa here) during a boat tour. Once you're through, you will have some free time for lunch before departing for Riva del Garda. Located on the north side of the lake, you will see its quaint Venetian-style historical center. Dinner and overnight stay in Bergamo.

DAY 5 | B, LIGHT LUNCH & WINE TASTING
Bergamo · Verona · Franciacorta (light lunch and wine tasting) · Milan

After breakfast, reach "fair Verona", a museum en plain air. A local professional will be waiting for you and take you on a guided tour. The fascinating mix of historical periods and cultures (both classical and Germanic) is a blend of Nordic as well as Mediterranean influences that is both ancient and modern. A walk through its narrow streets will allow you to get in touch with Verona's varied and fascinating past: traces of its splendid Roman origins, its medieval structures, its magnificent renaissance palaces, as well as the impressive fortifications protecting it. The combination of art and history will amaze you. Two of William Shakespeare's plays are set in Verona: "Romeo and Juliet" is by far the most famous one. We suggest taking a look at the so-called Juliet's home (and its balcony, said to have been the legendary balcony of the famous "Oh Romeo, Rome" tragedy's scene). It is a medieval building located in via Cappello. Capello is the name of a family who resided in the edifice in the 14th century. After the Verona tour, you will drive toward the territory of Franciacorta, whose soil consisting of gravel and sand over limestone is ideal for the cultivation of grapes and for winemaking. This is why we chose this place for your next stop. This is where you will enjoy a light lunch and taste some local food as well as the renowned local wine. After this experience, you will head for Milan, where you will have the last overnight in Milan.

ITINERARY

DAY 1 Milan
Welcome to Milan! Meet our driver at Milan Malpensa Airport and enjoy a private transfer to your hotel. Day at your disposal. Overnight.

DAY 2 | LOCAL FOOD EXPERIENCE Milan
Breakfast at the hotel. In the afternoon, meet your professional local guide at the hotel and set off on a three-hour walking tour through the heart of Milan. Going down via Spallanzani, you will reach Porta Venezia (literally Venice Gate), one of the historical gates to the city. It has medieval and maybe even Roman origins, and it gives the name to the city district all around it. An urban legend has it that the other name it is known as - "Porta Renza" - stems from Renzo Tramaglino, co-protagonist of the novel *The Betrothed* by Alessandro Manzoni, who enters Milan exactly from this access. You will proceed toward Corso Venezia and take a shortcut inside Giardini Indro Montanelli, a public garden. Opposite the gardens, you will go past GAM, the Galleria d'Arte Moderna (modern art museum). Proceeding along Viale Manzoni, you will head for La Scala opera house (Teatro alla Scala), inaugurated on 3 August 1778. The theater underwent major renovations from early 2002 to late 2004. Then, get ready to take in the stunning Milan Cathedral (Duomo di Milano). Your tour guide will illustrate its main features. The last stop will be the majestic Castello Sforzesco, a medieval fortress built in the 15th century by the Duke of Milan, Francesco Sforza. In its vicinity, we have chosen a refined bakery for you to be able to relax and taste a typical aperitivo (happy hour). At the end of the aperitivo, the tour is over and you will have some free time before returning to the hotel on your own. Overnight stay is in Milan.

DAY 3 | B Milan · Bernina Express · Milan
This is the day of your Bernina Express tour, on board "the train that snakes its way up to the mountain peaks". Just like sitting in a theater, you will admire unique views from your seat on board the Bernina Train, a piece of history (it is 100 years old) and a World Heritage train. After breakfast at the hotel, meet our driver and reach Tirano. You will get on board there and start this ride along one of the most beautiful railway routes in the world, with its unsurpassed alpine views. As the train winds its way over the Alps, occasionally passing through mountain tunnels, and puffing its way past a myriad of towns and villages, a number of highlights will catch your attention. Look out at the Swiss Alps as you ride along the Bernina pass to St. Moritz, and then enjoy free time to explore it. Meet your driver to return to Milan (meeting point in St. Moritz). Overnight stay in Milan.

DAY 4 | B, D Milan · Como · Bellagio · Bergamo
Enjoy breakfast at your hotel and then prepare for a short visit to Como, a tourist destination for its y-shape and for Bellagio, that you will reach by boat. This little gem town lies at the intersection of the lake's two southern arms, with the Alps dominating the horizon to the north, and is home to some of the most charming landscapes in Italy. Spend some time exploring this picturesque village and its small streets, luxury hotels, villas, and gardens, and have lunch at your leisure in one of the many restaurants or cafés. Back on board, you will make your way to Tremozzo/Villa Carlotta where you will meet the driver and begin your journey to Bergamo, a truly historic and artistic jewel characterized by its urban structure: the città bassa (or lower town) is modern and dynamic, while the famous città alta (or upper town) houses the city's medieval heart. Check in at your Bergamo hotel, dinner y overnight.

DAY 5 | B, D Bergamo · Sirmione · Riva del Garda · Bergamo
Lake Garda, the largest lake in Italy, is the next destination. After breakfast at your hotel, you'll embark on a panoramic tour of the lake's west coast, immersing yourselves in the breathtaking natural landscape. This includes the Brenta Dolomites (a UNESCO World Heritage Site) and the gentle slopes of the Moraine Hills of Lower Garda. You'll be surrounded by lush vegetation, from lemon trees to oleanders, magnolias, and bougainvillea. Upon reaching Sirmione, where Lake Garda and its surroundings are at their finest, you'll see the sun reverberating on the lake's blue waters, the tree-lined shores, Sirmione Castle, as well as the ruins of Catullus's villa or Grottoes of Catullus (the 1st-century BC poet owned a villa here) during a boat tour. Once you're through, you will have some free time for lunch before departing for Riva del Garda. Located on the north side of the lake, you will see its quaint Venetian-style historical center. Dinner and overnight stay in Bergamo.

DAY 6 | B, LIGHT LUNCH & WINE TASTING Bergamo · Verona · Franciacorta (light lunch and wine tasting) · Milan
After breakfast, reach "fair Verona," a museum en plain air. A local professional will be waiting for you and take you on a guided tour. The fascinating mix of historical periods and cultures (both classical and Germanic) is a blend of Nordic as well as Mediterranean influences that is both ancient and modern. A walk through its narrow streets will allow you to get in touch with Verona's varied and fascinating past: traces of its splendid Roman origins, its medieval structures, its magnificent renaissance palaces, as well as the impressive fortifications protecting it. The combination of art and history will amaze you. Two of William Shakespeare's plays are set in Verona: "Romeo and Juliet" is by far the most famous one. We suggest taking a look at the so-called Juliet's home (and its balcony, said to have been the legendary balcony of the famous "Oh Romeo, Rome" tragedy's scene). It is a medieval building located in via Cappello. Capello is the name of a family who resided in the edifice in the 14th century. After the Verona tour, you will drive toward the territory of Franciacorta, whose soil consisting of gravel and sand over limestone is ideal for the cultivation of grapes and for wine-making. This is why we chose this place for your next stop. This is where you will enjoy a light lunch and taste some local food as well as the renowned local wine. After this experience, you will head for Milan. Overnight.

DAY 7 | B, LOCAL FOOD EXPERIENCE Milan
Did you sleep well? Time to get up now, you are in Milan, the city of fashion! After breakfast at your hotel, we suggest to take the time to visit Milan's Fashion District, the epicenter of Italian fashion. Find the so-called Quadrilatero d'Oro (or Golden Rectangle) which is lined with prestigious haute couture boutiques including Versace, Prada, and Armani. In the afternoon, reach our meeting point in Alzaia-Naviglio Grande and explore one of Milan's most beautiful districts (Navigli) with a boat tour. The Navigli district is famous for its canals and vibrant night life. On the boat, you will cruise along the Naviglio Grande (grand canal) while you have an excellent cocktail and delicious snacks. You will see old typical edifices on the canal, whose ground floors have been converted into bars, restaurants, and art galleries. Navigating upstream you will reach one of the oldest churches in the city: San Cristoforo sul Naviglio. You will then see the historic headquarters of Canottieri Olona (a multi-water-sports club) and the famous Vicolo dei Lavandai (or Alley of the Launderers), an open-air wash house in use from the 18th century through the 1950s (their members would collect the laundry from around the city in wicker baskets and take them on their shoulder to this alley). You can listen to the audio guide if you please in order to learn a bit of history, or you can simply enjoy the navigation while chatting with your travel companions. Overnight in Milan.

DAY 8 | B Milan
After breakfast, transfer to the airport. Arrivederci!

Going down Corso Buenos Aires, you will reach Porta Venezia (literally Venice Gate), one of the historical gates to the city. It has medieval and maybe even Roman origins, and it gives the name to the city district all around it. An urban legend has it that the other name it is known as - "Porta Renza" - stems from Renzo Tramaglino, co-protagonist of the novel The Betrothed by Alessandro Manzoni, who enters Milan exactly from this access. You will proceed toward Corso Venezia and take a shortcut inside Giardini Indro Montanelli, a public garden. Opposite the gardens, you will go past GAM, the Galleria d'Arte Moderna (modern art museum). Proceeding along Viale Manzoni, you will head for La Scala opera house (Teatro alla Scala), inaugurated on 3 August 1778. The theater underwent major renovations from early 2002 to late 2004. Then, get ready to take in the stunning Milan Cathedral (Duomo di Milano). Your tour guide will illustrate its main features. The last stop will be the majestic Castello Sforzesco, a medieval fortress built in the 15th century by the Duke of Milan, Francesco Sforza, where your tour is over. After

the visit, enjoy free time for lunch at one of the many local restaurants and rest of the day at your disposal. You can choose to stay in the city center to indulge in shopping at the renowned boutiques, or if you prefer, you may opt for an optional afternoon tour to Lake Como (not included in the package), where you can experience the scenic beauty of one of Italy's most famous lakes. Overnight stay in Milan.

ITINERARY

DAY 1 | D

Bari
You'll reach Bari, the capital of Puglia, on your own. Meet your tour guide at the hotel and off you go on a tour to discover the beauties of Bari. In the afternoon you'll reach its historical center, known as "Bari Vecchia", and learn interesting information about Bari's past as well as the history of its main monuments. Walk down little alleys and find yourself in tiny little squares inside the walls, until you reach the Pontifical Basilica of Saint Nicholas, that contains the relics of Saint Nicholas, and the Castello Svevo (or Swabian Castle) built in the XII century by Norman King Roger II and later restored by Frederick II of the Holy Roman Empire. From inside the castle one can enjoy a beautiful view (entrances not included). After the visit, Piazza Mercantile is worth a visit: the Colonna della giustizia (or Column of justice) stands out right in the middle. It is thought to have been used as a pillory. Dinner at the hotel. Overnight is in Bari.

DAY 2 | B, D

Bari · Trani · Castel del Monte · Alberobello
After breakfast, you will head to Trani. Known as "Perla di Puglia" (or the pearl of Puglia), Trani is a medieval town located 53 kilometers (that's 33 miles) south of Bari. Its Jewish district and the majestic Cathedral will be yours to admire. The latter was built using a local stone, a calcareous tuff characterised by its colour, an extremely light almost-white pink. In the afternoon, the next monument will be Castel Del Monte, the most amazing castle built by Frederick II. It is protected as a World Heritage Site. Its geometric design is unique: it is an octagonal prism with an octagonal tower at each corner. Many mysteries are still unresolved, including the real purpose of the castle. After Castel del Monte, Alberobello is the next stop, the "città dei Trulli", also protected as a World Heritage Site. Trulli are dry stone huts with a conical roof originally built for storage purposes. They were also permanent dwellings and are called case dde by locals (or little houses). Alberobello is a gem, a true fairy tale place in the heart of Puglia. Dinner and overnight is in Alberobello.

DAY 3 | B, D

Alberobello · Matera · Alberobello
After breakfast, a bus will be waiting. It will take you to Basilicata, a border region. Welcome to Matera, its capital, "la città dei sassi" (literally the city of the stones), Italy's own version of Cappadocia in the south of Italy. European Capital of Culture 2019, Matera is a UNESCO Heritage site. Take your time to admire the sassi from different perspectives and overlooks. These cave dwellings inhabited since the Paleolithic period make for the monumental historical center and are connected by a maze of quaint little alleys, which will make you feel like you are catapulted in a real-life

nativity scene. The sassi are visually reminiscent of ancient sites near Jerusalem, and so they were a setting to many Christian-themed films, including The Gospel According to St. Matthew (Pier Paolo Pasolini, 1964), The Passion of the Christ (Mel Gibson, 2004), and Ben-Hur (Timur Bekmambetov, 2016). A visit to Matera Cathedral is a must. You will return to Alberobello in the evening. Dinner and overnight.

DAY 4 | B, D

Alberobello · Locorotondo · Ostuni · Lecce
After breakfast, a bus will be waiting. It will take you to Locorotondo. This picturesque town is one of the "Borghi più belli d'Italia" (most beautiful hamlets of Italy). Locorotondo comes from the Latin phrase "locus rotundus", meaning circular place, for its round shape. Afterwards, you'll reach Ostuni, the "città bianca" (or white city), another true gem 74 kilometers (46 miles) south of Bari located on the summit of a hill. It was built by the Normans and has city walls with four gates (remains of them can be seen). The region is a producer of top quality olive oil and wine. You will have plenty of leisure time to go around the historical center, eat typical delicacies, shop for food or souvenirs or simply get lost in the old medieval streets. In the evening, you will move to Lecce, the heart of the Salento area. Dinner and overnight are in Lecce.

DAY 5 | B, D

Lecce · Otranto · Dinner at "Masseria L'Uliveto" · Lecce
After breakfast, you will take advantage of a guided tour of Lecce with a professional guide. For its artistic and cultural buzz, Lecce is known as "southern Florence". Its underlying trait is though the baroque style of its buildings. A number of religious and secular monuments will be yours to take in at your leisure. For lunch, move to Otranto, just a 30 minute drive from Lecce. Along many centuries, Otranto was dominated by the Greeks, the Romans and the Turks, and traces of this melting pot of cultures can still be gazed in awe. Don't miss out on the Cathedral that keeps the bones of 813 martyrs in a shrine behind the main altar. Its floors are mosaics that rival those found in Ravenna's main churches. To end the day in the best of ways, you will have dinner in Maglie (near Lecce) at "Masseria L'Uliveto", a typical salentine masseria (or large farm). You will have dinner and taste some local products. Overnight is in Lecce.

DAY 6 | B

Lecce · Gallipoli · Lecce
Day 6 is dedicated to Gallipoli, one of the most touristic and cosmopolitan destinations in the Salento. Gallipoli has Greek origins and is now a summer location preferred by young people who are attracted by its nightlife as well as

beautiful wild beaches whose dunes and pine tree parks are paradise! You will have free time to discover the center of Gallipoli, the walls, and the port that shelters amazing yachts. In the afternoon, you will return to Lecce and still have time to enjoy the evening. Overnight is in Lecce.

DAY 7 | B, L

Lecce · Martina Franca · Lunch at Masseria Zona Fasano · Bari
After breakfast, we'll head back to Bari driving through the "Murge plateau" with unique landscape. You'll get to see Martina Franca, an elegant Baroque village full of churches, noble buildings, and squares perfect for a stage setting. The urban focal point is Piazza Plebiscito, the Cathedral, the Ducal Palace and the Torre dell'Orologio. Free time here. We'll continue driving in the Valle d' Itria, a rural area full of olive trees and vineyards. You'll enjoy lunch in a masseria where food and excellent extra virgin olive oil are produced from organic farming. A tasting of those products is included. In the afternoon, there will be some free time and then a short drive will take you to Bari. Overnight is in Puglia.

DAY 8 | B

Bari · Polignano · Monopoli · Bari
After breakfast, we'll set off to two of the most prominent coastal places of Puglia: Monopoli and Polignano a Mare. We'll start from Monopoli, a fortified citadel overlooking the sea. Getting lost in the intricate little streets of Monopoli is an almost mystical experience. From its port, just like a number of other Apulian ports, the crusaders left Puglia in the Middle Ages to reach the Holy Land and free it from the Muslims. A rich commerce with Constantinople flourished and this is why a marked oriental atmosphere can be felt here. The second stop is Polignano a Mare, hometown to Domenico Modugno, Italian singer-songwriter who co-wrote the world-known song Volare (nel blu, dipinto di blu). Polignano was built on the peak of a cliff, and therefore its coastline is characterized by coves, small bays and inlets. Lama Monachile is one of them, known for its crystal-clear waters and rugged cliffs all around. Free time for some shopping or an aperitivo in the main square. You will return to Bari after the visit. Overnight is in Bari.

DAY 9 | B

Bari
Breakfast is at the hotel. And this is the end of our services. (For a private transfer to Bari Karol Wojtyła Airport or Brindisi Airport, consult our transfer catalog or get in touch with our Booking Department, we can arrange one for you at an extra cost.)

DAY 1 | D
Rome · Assisi · Siena · Florence
 Departing at 7:15 am from your hotel by a deluxe coach, you will arrive in Assisi, ready to explore, at your own leisure, this tiny town surrounded by walls, built in the Middle Ages. Take your time to visit the basilica of St. Francis, where you will see masterpieces by Giotto and Cimabue and, then, have free time for lunch (not included). Board on the bus to reach Siena, a Unesco World Heritage Site, world-known for the Palio, the historical horse race around the shell-shaped town square: Piazza del Campo. Next, you will continue on to Florence, where you will check in at your hotel before enjoying dinner and a well-earned night of rest.

DAY 2 | B, L
Florence
 After breakfast, you will spend the day venturing around beautiful Florence, the "Cradle of Renaissance", where, with the help of Michelangelo, Italian art reached its pinnacle. You will be fascinated by the uncountable monuments, churches and buildings as Santa Maria del Fiore, more commonly referred to as the Duomo. On your visit, you will be amazed by its magnificent dome built by Filippo Brunelleschi. In the heart of the city, you will see Piazza della Signoria, Palazzo della Signoria (also known as Palazzo Vecchio), and the Basilica of Santa Croce. Lunch in a typical Tuscan restaurant in Piazza Santa Croce. Spend the afternoon strolling the cobblestone streets of Florence on your own or take a short trip to Pisa (optional), one of the four main historical Marine Republics of Italy.
