Rome

Arrival in Rome, meet our driver at the airport and transfer to your hotel. Check in and opportunity to book one of our Rome by night tours (check our brochure I Love Rome). Overnight stay in Rome.

DAY 2
Rome

Breakfast at the hotel; meet our professional guide at 8:45* AM in Piazza del Risorgimento and take a tour of the Vatican Museums and the Sistine Chapel. Admire the Gallery of Tapestries, the Geographical Maps and the beautiful Raphael's rooms before arriving at the famous Sistine. The tour couldn't be complete without St. Peter's Basilica that isn't only the largest church in the world, but that contains several pieces of fine art: think

the canopy designed by Gian Lorenzo Bernini or the Pietà by Michelangelo. You'll admire St. Peter's Square the open space which lies before the basilica, redesigned by Gian Lorenzo Bernini and being itself an architectural masterpiece of the Baroque age. Lunch on your own and after lunch meet our guide at 01:15 PM Arch of Constantine for the most complete tour of the Colosseum, Roman Forum and Palatine Hill. Access the Palatine Hill with no line and discover the hill where Rome was founded at the beginning. Then reach the Colosseum and be amazed by this monument that is the symbol of Rome in the world. ITINERARY

DAY 1 Rome
Welcome to Rome! Independent arrival in hotel. Overnight stay in Rome.

DAY 2 Rome
After a rich breakfast at the hotel you will meet your driver who will take you to the meeting point with your local foodie guide. You will enjoy a lovely walking tour through local food markets, grocery stores and gelato shops in the areas of Campo De' Fiori, Trastevere, and the Jewish Ghetto. We know that walking makes one hungry, that's why we thought you'd appreciate some pit-stops! You'll enjoy a slice of freshly baked crispy "pizza bianca" (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut "mortadella": a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about trying a "suppli"? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food. Pasta will be on the list too, along with some dishes from the Roman Jewish tradition: "carciofo alla giudia", a deep-fried artichoke that looks like a tiny sunflower, as well as "filetto di baccalà", a battered and deep-fried fleshy cod fillet. Save some space for dessert, because we won't skip our portion of artisan "gelato"! At the end of this experience, meet your driver to head to Vatican area, ready to join a super-agile group max 10 people. Meet your professional guide and take a tour of the Vatican Museums, Sistine Chapel and St. Peter's Square, skipping all lines! You will be able to admire some of the most impressive Renaissance art pieces: the unique Gallery of Tapestries, the lavish Gallery of Maps, the stunning Raphael's Rooms and the world-famous Sistine Chapel. The tour couldn't be complete without St. Peter's Square the open space which lies before the basilica, redesigned by Gian Lorenzo Bernini and being itself an architectural masterpiece of the Baroque age. You'll admire St. Peter's Basilica (outside) that isn't only the largest church in the world, but that contains several pieces of fine art: think the canopy designed by Gian Lorenzo Bernini or the Pietà by Michelangelo. At the end of the tour, time at your leisure to discover hidden corners of Rome. Overnight stay.

AN OASIS OF NATURE AND SCENTS

The Cinque Terre one of the most unspoiled areas of the Mediterranean and one of the most extended areas in Liguria. They are a kingdom of nature and wild scents maintained as in the past.

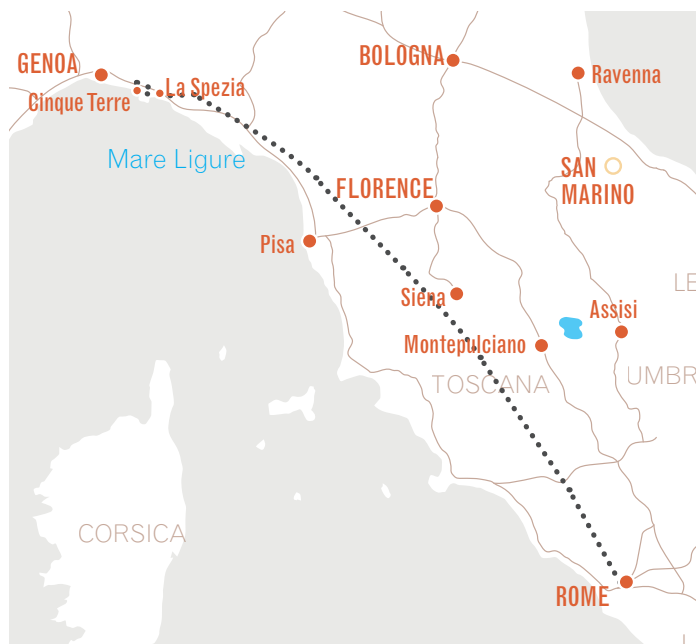

To visit Cinque Terre means to visit five villages suspended between sea and earth, clinging on to cliffs and surrounded by green hill; it means to know the history of whom, for centuries, has fought against difficult land but it also means to taste the result of this millenarian struggle and in particular wine and produce. Visit these villages means to learn the culture of the drystone walls and of the vineyard, of the fishermen and of their nets, of the steep valleys and of their path. Who visit Cinque Terre can choose between a dive in the sea or hike on the hills, between a walk in the narrow alleys called "carruggi" or a ride by boat, a pilgrimage to a sanctuary or a seafood lunch. It is a landscape unique in the world in which man and nature live together in harmony since the beginning of time.

AN OASIS OF NATURE AND SCENTS

The Cinque Terre one of the most unspoiled areas of the Mediterranean and one of the most extended areas in Liguria. They are a kingdom of nature and wild scents maintained as in the past.

To visit Cinque Terre means to visit five villages suspended between sea and earth, clinging on to cliffs and surrounded by green hill; it means to know the history of whom, for centuries, has fought against difficult land but it also means to taste the result of this millenarian struggle and in particular wine and produce. Visit these villages means to learn the culture of the drystone walls and of the vineyard, of the fishermen and of their nets, of the steep valleys and of their path. Who visit Cinque Terre can choose between a dive in the sea or hike on the hills, between a walk in the narrow alleys called "carruggi" or a ride by boat, a pilgrimage to a sanctuary or a seafood lunch. It is a landscape unique in the world in which man and nature live together in harmony since the beginning of time.

ITINERARY

DAY 1

Rome · San Giovanni Rotondo

Board on a train from Rome Termini to Foggia, where you will meet your private car and driver, who will take you to your hotel in San Giovanni Rotondo, home of the Shrine of Padre Pio (opportunity to stop at Monte Sant'Angelo with a supplement). Settle in to your hotel to rest up for the day ahead.

DAY 2

San Giovanni Rotondo

After breakfast at your hotel, spend the day exploring this fascinating city on your own. From July 28, 1916

until his death on September 23, 1968, Padre Pio, famous for his stigmata, called San Giovanni Rotondo home. The miracle of his stigmata was recognized by the Pope after the approval of the three commissions canonically required. The Medical Consultations of the Congregation for the Causes of Saints examined the case, and with a unanimous vote judged it "scientifically inexplicable". Finally, the Pope officially recognized the miracle with the decree of December 21, 1998 and fixed the date for the Beatification for Sundays, May 2, 1999. Millions of people exulted with joy and participated in the ceremony at Saint Peter's Square. On June

16, 2002, Padre Pio was declared a Saint. His body was exhumed in March of 2009 and placed on display at the Santa Maria delle Grazie shrine, where it stayed until September 2009. After this intense day, return to your hotel for some well-earned relaxation.

DAY 3

San Giovanni Rotondo · Rome

Enjoy breakfast at your hotel before your private car takes you back to the Foggia train station, where you will depart to Rome for the conclusion of your tour.
